## GRASS & FORAGE CROPS FOR ORGANIC GROWERS

# 70% ORGANIC GRASS, CLOVER & FORAGE SEED MIXTURES

## NO. 1 FERTILITY BUILDER

Packed in 20kg bags

20.9%	EF486 DASAS	Organic Italian Ryegrass
25%	Solid	Organic Hybrid Ryegrass (tet)
8.3%	Eyria	Organic Intermediate Perennial Ryegrass
8.4%	Nifty	Intermediate Perennial Ryegrass
15.8%	Merviot	Organic Red Clover
13.3%	Maro	Red Clover
8.3%	Violin	White Clover

### Mixture Description

A 2 year mixture for farmers converting to organic or seeking a fertility building mixture which can also provide excellent yields of high protein hay or silage.

## NO. 2 GRAZING

Packed in 20kg bags

15.7%	Drumbo	Late Perennial Ryegrass
20%	Timing	Organic Late Perennial Ryegrass
21.4%	Novello	Organic Late Perennial Ryegrass (tet)
21.5%	Polim	Organic Late Perennial Ryegrass (tet)
7.1%	Dolina	Organic Timothy
3.6%	Crusader	White Clover
3.6%	Grasslands Demand	White Clover
7.1%	Violin	White Clover

### Mixture Description

A long term grazing mixture with all late heading perennial ryegrasses to ensure good palatability through the season. High white clover content gives excellent digestibility and protein.

## NO. 3 CUTTING

Packed in 20kg bags

21.4%	Elyria	Organic Intermediate Perennial Ryegrass
15.7%	Boyne	Intermediate Perennial Ryegrass
5.7%	Timing	Organic Late Perennial Ryegrass
21.5%	Polim	Organic Late Perennial Ryegrass (tet)
14.3%	Novello	Organic Late Perennial Ryegrass (tet)
7.1%	Dolina	Organic Timothy
3.6%	Grasslands Demand	White Clover
7.1%	Crusader	White Clover
3.6%	Merwi	White Clover

### Mixture Description

A medium term cutting mixture with high yielding intermediate perennials and Timothy for excellent spring growth. Late perennials and high white clover content also help to give good aftermath grazing.

## NO. 4 GENERAL PURPOSE

Packed in 20kg bags

10.7%	Solid	Organic Hybrid Ryegrass (tet)
21.4%	Elyria	Organic Intermediate Perennial Ryegrass
8.6%	Drumbo	Late Perennial Ryegrass (tet)
14.3%	Novello	Organic Late Perennial Ryegrass (tet)
17.9%	Polim	Organic Late Perennial Ryegrass (tet)
5.7%	Timing	Organic Late Perennial Ryegrass
7.1%	Erecta	Timothy
3.6%	Grasslands Demand	White Clover
3.6%	Crusader	White Clover
7.1%	Violin	White Clover

### Mixture Description

A long term dual purpose mixture designed to produce a succession of nutritious herbage all through the season for both cutting and grazing.

## SPEEDY FEED CATCH CROP MIX

Packed in 20kg bags

70%	Dynamo	Organic Stubble Turnip
20%	Interval	Rape/Kale Hybrid
10%	Pinfold	Kale

### Mixture Description

A fast growing brassica catch crop mixture for Autumn or Winter feed. Ideal for sheep, dairy or beef production.
